

PARTNER WITH A UK-BUILT BACKUP POWER BRAND – OFFER MORE. EARN MORE.

DEWEN Energy delivers premium, UK-built power backup systems designed for EPCs, industrial projects, and infrastructure clients.

As a reseller, you'll benefit from high-margin products, flexible project support, and the confidence of working with 20+ years of technical expertise.

WHY RESELLERS WORK WITH DEWEN

- ✓ Higher margins than global brands
- ✓ Custom solutions built in the UK
- ✓ Pre-sales Technical Support
- ✓ Full UK-based warranty & after-sales support for peace of mind
- ✓ Optional regional exclusivity
- ✓ Built with trusted, global OEM components
